THE WEATHER.

For eastern New York, thunder showers to-day, cooler in the interior; to-morrow partly cloudy; fresh southerly winds on the coast, becoming west.

For New Jersey, local rains and thunder showers to-day and cooler; partly cloudy to-morrow; fresh southwest to west winds.

For northern New England, thunder showers to-day and probably to-morrow; increasing southwest winds.

WASHINGTON, June 30.—A cyclonic depression has developed in the last twenty-four hours over the middle Mississippi Valley and westward.

Valley and moved thence northeastward to Huron. A second depression is moving southeastward over the Canadian Northwest and pressure is high over Kansas and Nebraska. Numerous thunder showers and local rains have occurred in the Ohio Valley, the lake region, the Appalachian region and in portions of the middle Atlantic States.

The temperature has fallen quite generally in the regions of rainfall and the high temperatures in the Southwest have come to an end temporarily at least.

Thunder showers are probable Monday in all coast districts, with somewhat lower temperatures.

T. R. TO AID SON'S SERGEANT.

Colonel Will get Work for Matinee Man of Archie's Company.

When Col. Theodore Roosevelt learned yesterday that Sergeant Frank A. Ross, of Archie's company, was in the Walter Reed Hospital in Washington, minus his right hand, and bearing a letter from Archie's mother, he immediately telegraphed to the sergeant: "Hear you, my boy. I'll get you written about you. Please write me at once. I wish to see you and of course I will do an Archie request for you." Sergeant Ross has a note the Colonel from Archie in which the Captain has asked his father to get a position for the soldier.

"The man mentioned Sergeant Ross in this recent letter," said the Colonel. "He was in the hospital the same time Archie was. The sergeant is a great man and I will do anything I can to get over anything in my power to help him."

hope he will come here so that I can have a talk with him."
